The first in the UK to directly
access HM Passport Data in 2021

The Most Effective Conveyancer Quoting Website

Our Convey Quote referral website provides transparent, real-time conveyancing quotes, with clients choosing their Conveyancer on Cost, Service or Location.

The Convey Quote website can be whitelabelled to any brand and provides access to our brilliant real-time KPI Management Reporting system.

Great relationships between Introducers and Conveyancers guarantees a great client experience, increasing business referrals, trust and camaraderie. Introducers can ask their preferred Conveyancers to join our Convey Elite Legal Panel.

Highly Effective Client Sales, Onboarding & Case Tracking

The Convey365 call centre facility allows for ease of client contact, onboarding and payments, with an open API link and proven sales success of over 90%!

Clients are onboarded immediately, with AI Chat Bot and Avatar video assistance, and have access to real time case tracking 24/7 – Convey365! Reducing transaction timelines whilst increasing communication and cashflow.

Pioneered the first electronic exchange of contracts in 2018

Increased Profitability & Transparency... **Guaranteed**

Our Legal Costs Estimates are fully transparent, with conveyancing related products sold when clients are onboarded, enhancing their transaction journey and Introducer revenue.

Linked Commission Payments & Reconciliation

The flexibility of commission generation is designed to secure maximum sales, while our integrated commission facilities allow for automated weekly invoice production and payment.

Realtime Legal Panel KPI Management & Reporting

The Convey365 KPI Legal Panel Management system is the most sophisticated in the property industry, providing immediate management and transaction information and cashflow projections.

The leading charity fundraising
conveyancing IT company in the UK

Risk & Security Compliance

Convey365 is the safest conveyancing IT system in the UK, providing ID and AML compliance to all Regulatory standards and is Cyber Essential Plus and ISO270001 Accredited.

Complimentary Training & Development

Sales, AML compliance and conveyancing training is provided as a part of the Convey365 award winning Introducer Franchise.

Work - Life - Balance & Giving

Working in partnership with Convey365 enables Introducers to grow and increase the profitability of their businesses and to raise funds for their chosen charities. We are the leading charity fundraising conveyancing IT provider in the UK, having raised over £1.2million for charity since 2010.

Supporting you in building your business

Revolutionary Conveyancing

The Convey365 is the most effective conveyancing IT system in the UK.
It is user-friendly, safe and revolutionary – it is the future of conveyancing in the present.
